

Stride Gaming

Brief

To maximise Stride Gaming's corporate reputation through its IPO and support the company's brand awareness and investment opportunity in the aftermarket.

Project Outcome

Stride Gaming has been heralded as one of the most successful IPOs and best performing stocks on AIM. We are proud to be part of the wider team that helped deliver an integrated communications programme, ensuring that Stride's brand and investment proposition was heard by its ultimate end audiences. Our work from board level down resulted in a successful IPO and continues to this day in the aftermarket.
